

## **2025 AGM**

### **Review of the year since the 2024 AGM.**

**Planters** - All 20 planter boxes were planted, weeded, tidied and watered throughout the year. Two tasks were held to cut back overhanging vegetation.

Some maintenance was carried out to reinforce one of the benches.

Several quotations were sought for replacing dilapidated timber on the planter boxes. It is hoped that timber on two boxes can be renewed subject to funding.

**Litter picks** – Globe litter picks took place in Milestone Woods and the area around Caversham Bridge (including Salters carpark – RBC land which has been subjected to heavy littering over the years). Globe supporters also participated in several litter picks with Keep Caversham Tidy.

During Reading Festive Globe carried out daily litterpicks covering Central Caversham and adjacent side roads as well as the Caversham bridge area.

**Emmer Green Hedge** renovation and renewal – Further planting took place with local residents to infill gaps in the old hedge and replace a few saplings which had failed.

**Graffiti** - graffiti was tackled in various areas of Caversham. Several incidents of flytipping and flyposting were reported to RBC.

**Planning applications** - Globe monitored and responded to a number of planning applications on environmental and landscaping issues.

**Links with other organisations** - Globe liaised with other local organisations including CADRA, Caversham Traders, Keep Caversham Tidy, the North Reading Safer Neighbourhood Forum, Friends of Caversham Court Gardens and Reading Tree Wardens. Globe also contacted RBC officers and ward councillors about several environmental issues.

**Globe Meetings.** Six meetings were held at the Griffin. Caversham Ward Councillor Jacopo Lanzoni sometimes attended the meetings.
