

Caversham Globe **Safeguarding Statement**

Background

Caversham Globe is a local community-based environmental group. It undertakes a variety of activities including meetings, walks and practical tasks.

All members of Caversham Globe are volunteers.

Commitment

In order to protect children and other vulnerable members of the community, those under the age of 16 years and vulnerable adults are only allowed to participate in Caversham Globe activities if accompanied by an appropriate adult (parent, guardian or other authorised adult) responsible for their wellbeing and behaviour.

Providing these conditions are met, Caversham Globe welcomes all members of the community to participate in its activities.

Review

Caversham Globe will regularly review this statement and take whatever additional measures may be deemed necessary at that time.
